

Charel Kuddel, official of the Ministry of Non Resolved Affairs (MNRA), married to Félicie Fleck and father of three kids, transforms himself, by eating cooked cheese or drinking Alzette beer, to Superjhemp. Accompanied by his dog Bernie, he regularly rescues Luxusburg from dangers and criminals.

The very talkative Inspector Schrobiltgen and Commissioner Wasp from the Police Tiny Duchy, support Superjhemp in all complicated affairs (and vice versa!).

Family Kuddel-Fleck: Félicie, housewife by conviction and the kids: Steve, Sandra and the little Metti - the only one to inherit the powers of his father, live at 150, Fatherland street in Luxusburg.

Miss Léonie Lamesch, Secretary at MNRA, Desperate Cases Service, admires Superjhemp without knowing that he is actually her boss Charel Kuddel. She is terribly in love with inspector Schrobiltgen.

The Tiny Duke and his wife Chin-Chin reign over Luxusburg and are friends with Superjhemp who was already helpful to them in the past.
